

## Impact After School Camp Information

2026-2027

**About:** Our After School Camp includes picking up from any of the 6 Aledo elementary schools for any day that school is in session. We do not pick up on early release days or days when there is no school or when school is canceled due to bad weather. Upon arrival, the kids get a snack and then participate in modified classes which include ninja, gymnastics, and tumbling. Occasionally, we do cheer, as well as strength, conditioning and agility games.

**Ages:** Elementary age only. Must be enrolled at an Aledo ISD Elementary school.

**Pricing:** Cost is \$365/month + a \$50 annual enrollment fee (per child). In addition, there will be a supply fee of \$60 per semester. The first semester supply fee will be charged upon registration, the 2<sup>nd</sup> Semester supply fee will be charged on January 1, 2027.

Upon initial registration the following fees will be applied and charged to your account on file:

- August 2026 tuition: \$230.00
- Registration Fee: \$50.00
- Supply Fee (first semester): \$60.00

Please note, this enrollment fee is separate from our recreational class enrollment fee. We will run the charges for monthly tuition on approximately the 25<sup>th</sup> or the 26<sup>th</sup> of the month prior. After the 4<sup>th</sup> of the following month, non-payment will result in a \$10 late fee. Continued non-payment after the 4<sup>th</sup> could result in unenrollment from the program.

***\*\*The number of days on which there is after school camp varies each month. This has been factored into the tuition. Tuition will not be prorated when there are longer school breaks and fewer days, such as in November and December, nor will we charge more when there are more days\*\****

**Transportation:** Our vans are 15 passenger vans that we keep clean and fully maintained. We allow 13 passengers per van. You are welcome to provide a booster type seat for a smaller child, per state recommendations on age/height. We ensure that every child that is picked up from the school is then checked in at the facility. It is imperative that you let us know if your child is not riding. See absences below for more information.

**Pick Up:** Pick up is at 6:00pm sharp but you may pick up at any time after 3:30 when the vans typically arrive at our facility. Only authorized people can sign the child out from the program. Pick up must occur from inside our facility and sign out must be by an authorized

person. Parents must come into the facility to pick up their child, waiting in the parking lot for your child to come out is not permitted. You must notify us in writing for someone that is not on your authorized person's list to pick your child up.

**Late Pick Up:** Pick-ups more than 5 minutes after 6 pm are subject to a late pick-up fee of \$10 for every 10 minutes.

**Absences:** If your child will not be riding with us on a day that they normally would ride, Impact must be notified in advance (no later than 2:15pm on the day of). We will allow one instance of non-notification each semester before we begin assessing fees. After this first instance, the next failure to notify Impact in advance that your child will not be picked up will result in a \$20 fine every time.

**Snacks:** Impact will provide a small snack upon arrival from school. If your child has an allergy or food sensitivity, please let us know via your registration/portal so we are aware and can take appropriate measures. You are welcome to send a snack with your child as well if preferred.

**Vending Machine:** Impact does have a vending machine in the lobby area. If you prefer your child, NOT use the vending machine, please let us know so we can monitor that.

**Personal Belongings:** Personal belongings should stay in your child's backpack. We do not allow phones or electronic devices to be out during transportation or class rotations, unless permission is granted by an Impact Staffer. Impact is not liable for any lost or damaged items. Please label your child's jacket and water bottle as these are the most left behind items. It is the child's responsibility to keep up with jackets, clothing and water bottles. Electronics are allowed in the classroom only. Impact is not reliable for damage or lost electronics. Impact is not in charge of monitoring what is viewed or played on the electronics. Students are not allowed to take pictures of the other students.

**Weather or Emergency Situations:** The safety and security of students and staff is our number one priority, and we will always respond first to the immediate emergency. After ensuring the safety of our students, our next priority will be communicating with parents and guardians. Should we encounter an immediate threat (local threat, fire, flood, building problem) or severe weather, we will follow preset guidelines for taking shelter or evacuation. In the event of bad weather, we will mirror Aledo ISD regarding weather closures or early releases. In the event of weather concerns after school hours, we monitor the National Weather Service and local meteorologist forecasts before making decisions to close or release early dependent on road conditions, temperatures, the presence of snow or ice, our sidewalk and parking lot conditions; and the ability for staff to get to work

**Accidents/Illness/Emergency:** If your child becomes ill or is injured while at Impact, the parent/guardian will be contacted. If the parent cannot be reached, we will attempt to reach out via text or other means, such as GroupMe or email. An incident report may be completed. If your child is sent home due to illness, fever, or a contagious condition, we reserve the right to require a quarantine period and/or a doctor's note to return. In the event of a medical emergency,

911 will be called. It is the parent/guardian's responsibility to keep emergency contact information up to date. This can be done via Customer Portal.

**Medication:** Impact Athletic will not administer medication of any sort during the After School Camp

**Withdrawal:** Parents wishing to withdraw their child must provide written notice 30 days in advance. This can be done via email to [admin@impact-gymnastics.net](mailto:admin@impact-gymnastics.net). Tuition due for any month not yet paid will be charged at the time of notice.

# Behavior Guidelines

## **Behavior Guidelines:**

We expect our After School camp students to take responsibility for their actions and to respect each other as well as our equipment while participating in the program. Students should immediately talk to a staff member if they ever are uncomfortable with a situation or another student's behavior towards them or in their presence. When an After School Camp student engages in minor inappropriate behavior the following steps will be taken:

1. Staff will address the issue verbally and redirect the camper appropriately
2. If the behavior continues, the After School Camp student will be reminded of the previous redirection and discussion regarding their behavior.
3. If the behavior continues, the camper will be removed from the group/activity and parents will be called. They may also be asked to come pick up their child.
4. If inappropriate behavior becomes a consistent issue, Impact Athletic reserves the right to remove an After School Camper from the program at any time.

At Impact Athletic, bullying, physical aggression, or unwanted physical contact in any form is inexcusable and will not be tolerated. In these instances, we will discuss with parents and determine action to be taken. Action to be taken may include removal from the program dependent on the severity of the conduct.

I have reviewed the behavior guidelines and information above and agree with these rules and guidelines. I understand that Impact Athletic Training Center has the right to end enrollment in the program immediately for inappropriate behaviors, violence, or bullying of any kind without refund for the month enrolled.
